

HRISHI BHATTACHARYA

Senior Software Developer | Full Stack Engineer

hrishisgp97@gmail.com | +91 6294660141

PROFESSIONAL SUMMARY

Senior Full Stack Developer with 4.5+ years of experience designing and delivering scalable web applications, multi-tenant SaaS platforms, workflow automation systems, and data engineering solutions. Experienced in leading teams, architecting enterprise applications, and building end-to-end solutions using React.js, Next.js, Python, MongoDB, Snowflake, MySQL, and PostgreSQL. Strong expertise in software architecture, REST APIs, database design, and cloud-based data solutions.

CORE SKILLS

Frontend: React.js, Next.js, JavaScript, TypeScript, HTML5, CSS3

Backend: Python, Node.js, REST APIs

Databases: MongoDB, MySQL, PostgreSQL, Snowflake

Tools: Git, Agile, System Design, CI/CD

Other: Team Leadership, Mentoring, Solution Architecture

PROFESSIONAL EXPERIENCE

eDge Wrapper Technology Pvt. Ltd.

Manager - Software Development Team | 2023 - June 2026

Associate Software Developer | 2022 - 2023

- Led the design and development of a multi-tenant e-commerce platform using Next.js with RBAC, product management, and order processing modules.
- Built an enterprise Office Management System with HR, leave management, expense tracking, and task management capabilities.
- Developed a Snowflake and Python based data platform supporting ETL pipelines, reporting, and analytics workflows.
- Designed workflow automation applications supporting configurable business processes and multi-level approvals.
- Optimized MySQL and PostgreSQL database performance for high-volume transactional systems.
- Delivered custom WordPress solutions with SEO optimization and responsive design.
- Managed and mentored software engineers across multiple concurrent projects.

EDUCATION

Bachelor of Engineering (Information Technology)

University Institute of Technology, The University of Burdwan

Diploma in Computer Science and Technology

Siliguri Government Polytechnic
